

Equity & Diversity Conference Sponsorship Application Form

2018 Conference Theme: **ACCESS GRANTED: Building Bridges to Inclusion**

The Equity and Diversity Conference would not be possible without the unique support of our vendors and sponsors. We would like to extend to you a special invitation to partner with us for the 2018 Conference. By contributing as a sponsor, your organization will interface with over 250 attendees including UNT students, higher education professionals, and community leaders!

Continuing our new tradition, the division will present an award to a UNT department or college that has demonstrated a clear commitment to diversity, equity, inclusion and access and recognize them at the conference luncheon. Award naming rights and registration for six people are included in the Gold Sponsorship opportunity along with a vendor table and the honor of your company representative presenting this inaugural award on the day of the conference. A portion of the \$5,000 donation will go to the winning recipient to further their efforts to create an inclusive, equitable and welcoming environment for our faculty, staff and students.

A wide range of sponsorship packages are detailed in the enclosed documents, from which you can select the level of participation that best meets your needs.

Please send your sponsorship commitment form and logos by February 1, 2018 in order to secure your space. If you have any questions regarding your potential participation, Shani Barrax Moore or Teresita Hurtado Ramos at (940) 565-2711.

Additional information can be obtained on our website at edo.unt.edu/equity-and-diversity-conference.

Thank you for your consideration,

Shani Barrax Moore,
Director of Diversity and Inclusion
